

New Holland Ambulance Association

Educating the future of EMS

EMERGENCY MEDICAL TECHNICIAN CERTIFICATION PROGRAM

Emergency Medical Services is a high energy, challenging, and rewarding industry like no other.

Have you ever considered entering the medical field and helping your community?

New Holland EMS is looking for determined, dedicated, and ambitious people to take part in an EMT certification course

EMT's are desperately needed throughout Lancaster County.

Classes begin early January, Monday and Thursday evenings, 18:00-22:00

If you would like more information please contact Chief Darrell Fisher chief37@newhollandambulance.com or find our application at www.newhollandambulance.com
